**ANNUAL REPORT OF SPECIAL SCHOOL FOR M.R. AT PIDUGURALLA

Our services have extended to different parts of rural areas of Palnadu district in Andhra Pradesh. Through various community awareness programs and audio-visual media, the organization has created a strong positive impact among rural population around PIDUGURALLA and its surrounding villages and mandals of Palnadu District.

As a result of screening and identification camps and growing needs from parents we started a Special School for MR, at Piduguralla in Palnadu District in the year 1996 along with other school at Karampudi .

During the last reporting year between April 2022 to March 2023 **PIDUGURALLA SPECIAL SCHOOL for MR** has actively implemented various programs in the remote rural areas. We had conducted many rural camps in surrounding areas of **PIDUGURALLA**. Some of the highlights of our performance are:
